

Sustainable Concrete Wheel Stops

6' WHEEL STOP - SLOTTED

PRICING

\$100

Diagrams reference only

APPLICATIONS

Highly effective in creating order and safety in parking areas. Wheel stops protect vehicles, define parking spaces, and prevent over-parking.

Repurpose Aggregates, MD

Our concrete wheel stops are created exclusively with sustainable material from Repurpose Aggregates. Our wheel stops are first rate high quality - built to sustain 4,000 psi.
